COMMENTS ON BILL BROWNS RECYLING

1 WILL BILL BROWN HAVE GOOD LEAKPROOF CONTAINERS FOR BATTERIES, GAS, DIESEL, ANTIFREEZE AND OILS THAT COULD GET INTO LITTLE CREEK?

2 WILL BILL BROWN BUILD AN 8 FOOT SOLID FENCE ON ALL FOUR SIDES OF THIS PROPERTY SO THAT THE PUBLIC WOULD NOT HAVE TO LOOK AT ALL THE SCRAP IRON AND AUTOS HE HAS ACCUMULATED AT HIS RESIDENCE ON SOUTH END ROAD?

3 IN HIGH SPRING WATER YEARS LITTLE CREEK FLOODS MOST OF THE SOUTH WEST PART OF NEW MEADOWS, THIS COULD CAUSE CONTAINER OF FLUIDS TO BE WASHED DOWN INTO THE LITTLE SALMON RIVER.

4 WHO WILL KEEP A CHECK ON THIS OPERATION TO SEE THAT BILL BROWN COMPLIES WITH COUNTY AND STATE LAWS?

5 IN MY OPINION BILL BROWN SHOULD CLEAN UP HIS PLACE OF OPERATION AT HIS RESIDENCE AND KEEP IT WHERE IT IS, IN THE TIMBER AND OUT OF PUBLIC VIEW AND AWAY FROM ANY LIVE STREAMS.

6 - I WOULD SAY NO WAY ON THIS ZONE CHANGE.
