RE: Brown's Business and Brown's Mountain Recycling

To Whom It May Concern:

This letter is a voice of support for the proposal by Brown's Business and Brown's Mountain Recycling on the commercial property on Hwy 95 and Taylor Street. I feel that it is encouraging to see business growth in New Meadows and that the services provided will greatly benefit the local community and visitors to the area.

The Brown family has long been an advocate and friend of the City of New Meadows and Adams County. I admire their willingness to develop this property into a project that will provide much needed services and employment to our area.

Sincerely,
