

City of New Meadows Demolition Permit Application

A permit is required of all structures over 200 square feet within the corporate city limits of the City of New Meadows. Please complete the following application and submit all necessary forms, fees, and documentation to the City prior to start of demolition. This application must be approved by the City's Building Inspector and a permit issued before the demolition begins.

Address of demolition: _____ Lot/Block Number: _____

Owner(s) of Record / Applicant: _____ Phone: _____

Schedule for Demolition: Start Date: ___/___/___ Completion Date: ___/___/___

Proposed Method of Demolition: Fire
Salvage
Heavy Equipment Specify Type _____
Other _____

To include with this application:
Site map (showing structure situated on lot)
Proof of notices
 DEQ
 EPA
 Utilities

Plan for clean-up and rehabilitation of the area after demolition:

Permit Fees: A non-refundable processing fee of \$10.00 will be required at the time of permit application for demolition of any structure over 200 square feet.

Cleanup Deposit: A clean-up deposit of \$75.00 will be required at the time of permit application for demolition of any structure over 500 square feet. This deposit will be refundable to the applicant upon satisfactory completion of required clean-up and approval of the City's Building Inspector within 60 days after demolition. This deposit should be made by cash, cashier's check, or money order.
